

**Variable Rate:** Your APRs will vary with the market based on the Prime Rate. The Prime Rate is the highest bank prime loan rate as published by the Wall Street Journal in its Money Rates Section on the 14th day (or the next business day if the 14th is not a business day) of the calendar month preceding the first day of the billing period. If the Periodic Rate(s) and corresponding Annual Percentage Rate(s) increase, your interest charges will increase and your minimum payment may be greater.

**Penalty Rate:** If you fail to make your required minimum payment on your Account by the due date, make a payment that is returned, or fail to do any of the same on any other account held with us; all rates may increase to the Penalty Rate. If your APR is increased for any of the above reasons, we may keep the APRs at this higher level indefinitely or until we receive (6) consecutive minimum payments by the required due date.

**Application of Payments:** Please refer to your Cardholder Agreement for specific information regarding your Application of Payment details.

**Minimum Payment:** Please refer to your Cardholder Agreement for specific information regarding your Minimum Payment details.

**Cash Equivalent Transactions:** Cash equivalent transactions are those transactions performed using a merchant or service provider that Mastercard/VISA identifies as a seller of traveler's cheques, foreign currencies, money orders, wire transfers, lottery tickets, funds used for wagers or gambling or similar products and services.
